SPEAKER BIOGRAPHY

Cut your turnover, boost your morale, and grow your revenue with Dominic's unique blend of humor, wisdom, and leadership training. From Marine Corps cook to stand-up comic, tech guru to ADHD advocate, Dominic brings a distinctive, sought-after vibe to your lineup. His sessions don't just talk at your clients' audiences; they engage, entertain, and enlighten, and will make your managers more effective, more productive, and more human. From breakouts to keynotes to full-week training retreats, you can count on Dominic to reach, teach, and inspire.

Dominic Carubba, acclaimed for his dynamic fusion of ADHD-driven innovation, sales excellence, and cutting-edge tech knowledge, presents a unique speaking engagement opportunity. With a personal journey interwoven with ADHD, Dominic leverages his distinct perspective to offer transformative insights across three signature programs:

- **Leadership in an ADHD World:** Unpack strategies for thriving in distraction-rich environments, enhancing focus and productivity.
- **The Heart of Leadership:** Explore the essence of emotional intelligence and its pivotal role in guiding teams to success.
- **7 Bad Habits of Ridiculously Ineffective Leaders:** Identify and overcome common leadership pitfalls with practical solutions.

Dominic's sessions are more than just presentations; they are catalysts that drive change, meticulously tailored to address your organization's unique challenges.
